

Dear visitor!

Forecast is only available in German language (see homepage below)

Countdown available for Munich

Flow-charts available for all regions.

New: patient's hayfever diary

Journalize your personal hayfever diary about your allergic complaints and compare with the concentrations of pollen in the air. You will learn more about the preventive measures you have taken and their effort.

You can enroll anonymous or with your name at <http://phd.polleninfo.org>

The official **German homepage** (in German language) is: www.pollenstiftung.de and **DWD:** (German weather service) www.dwd.de/pollenflug

Thank you for your patience.
